*Re: United States v. Robert Nunez et al., 21 Cr. 246 (RA)*

Dear Judge Abrams:

I represent Robert Nunez, a defendant in the above-captioned case, and write to request an adjournment of the status conference currently scheduled for this Friday, March 1, 2024, at noon. The government does not object to this request. Specifically, we seek an adjournment of approximately 45 days, to the week of April 15 or thereafter, which would afford the defense additional time to review the voluminous discovery produced to date and further consider any potential pretrial motions. The requested adjournment would also permit the parties to explore a potential pretrial resolution of the matter.

Should the Court grant this request, the defendant consents to the exclusion of time under the Speedy Trial Act until the rescheduled conference date because the exclusion will permit the defense to continue to review the discovery and consider any pretrial motions it may make.

We thank the Court for its consideration of this request.

Respectfully submitted,

Jenna M. Dabbs
